BIO/STATEMENT OF PURPOSE

Please attach an essay in which you describe how your training, education, and desire to participate in the PEER Summer Internship Program or Research Experience for Undergraduates (REU) Summer Internship Program will help you work toward your academic and/or career goals. You may also include a statement on how overcoming significant educational, social, or economic disadvantage or adversity would enable you to contribute to the program in a manner that enhances the diversity of PEER. Your essay should not exceed 2 double-spaced pages in length. You should also identify three (in order of preference) PEER Faculty Researchers that you would like to work with for the internship. You are welcome to consult with PEER Faculty Researchers and are encouraged to describe your interest in a specific research project or firm in the Statement of Purpose. Information about PEER Faculty Researchers and their research can be found at the following website: http://peer.berkeley.edu/peer_site_new/pages/research/funded_projects_c.html
