**Tour will begin on
the lawn in front of
Building 484.**

**Park buses
here**

From San Francisco, Berkeley, Oakland:

- Take I-80 East (towards Sacramento)
- Immediately following the Gilman Ave. exit, take the I-580 West exit (towards the San Rafael Bridge).
- Exit the freeway at the Bayview Ave. exit (the second exit after merging on to I-580W).
- Turn left at the end of the off-ramp and continue straight onto Meade after stopping at the stop sign.
- Turn left at S. 47th St. (the second street on the left), then immediately turn right (before entering the new Business Park) onto Seaver and enter the Richmond Field Station.
- Continue straight on Seaver then take a left of S. 46th St and park busses in front of building 420 - Earthquake Simulator Lab.

From Sacramento:

- Take I-80 West (towards San Francisco).
- Exit the freeway at the Carlson Blvd. exit in Richmond.
- At the end of the off-ramp, turn right onto Carlson Blvd.
- Turn left onto Bayview Ave. at the second traffic signal. Follow Bayview Ave. over the freeway and to a stop sign. Continue straight onto Meade after stopping at the stop sign.
- Turn left at S. 47th St. (the second street on the left), then immediately turn right (before entering the new Business Park) onto Seaver and enter the Richmond Field Station.
- Continue straight on Seaver then take a left of S. 46th St and park busses in front of building 420 - Earthquake Simulator Lab.

From Marin County:

- Take Highway 101 towards San Rafael and follow signs to the Richmond-San Rafael Bridge/I-580 East (towards Oakland).
- Continue over bridge, and exit at Regatta Ave. (about 5 miles after bridge).
- Continue straight onto Meade at stoplight (at the end of the off-ramp).
- Take your first right onto S. 47th St. then immediately turn right (before entering the new Business Park) onto Seaver and enter the Richmond Field Station.
- Continue straight on Seaver then take a left of S. 46th St and park busses in front of building 420 - Earthquake Simulator Lab.

Parking:

- Parking passes are not necessary
