All guest room reservations at the Walnut Creek Marriott for PEER Annual Meeting attendees should be made with PEER using this form. If you are not a PEER Participant, please use this form to indicate which nights you would like to make a reservation for, and we will pass your reservation along to the hotel.

Accommodations (room and tax fees only) for all PEER Participants (see box above) will be paid for Thursday and Friday nights directly by PEER. For anyone interested in staying over on Saturday night (April 30), the guest room rate is \$99/night (not including fees and taxes). If you are participating in the closed meetings late Saturday afternoon, PEER will pay the room and tax fees for Saturday night; otherwise each guest will be responsible for their lodging costs for Saturday night and beyond.

Please make a reservation in my name for the following nights:

- Thursday, April 28**     **Friday, April 29**     **Saturday, April 30\***

\*Please note: PEER will only pay room costs on Saturday night for participants in the closed meetings following adjournment of the Annual Meeting.

Please Note: due to budgetary constraints we will be assigning two students, of the same gender, to each guest room. If 2 students would like to be paired together, they may indicate so below. Students wishing to have a guest room to themselves will be asked to pay for 50% of the room and tax costs, which will be roughly \$50-60/night. Please note that all attendees will be responsible for their own incidental expenses charged to their rooms; PEER will only pay room and tax fees. Upon check-in, you will be asked to provide a credit card to cover any incidental expenses (telephone, room service, and movie or other charges) you may incur, but your room and tax charges for Thursday and Friday night will be paid by PEER.
